

## Top New Romance & Cookery Titles in Pacific & Mountain Regions

**May 2016**

[Evidence-based Selection Planning \(ESP\)](#) is a service provided by Baker & Taylor. Using a number of data points, including circulation history and pre-publication reviews, ESP can predict how well a future title will perform in your library's collection. We have used ESP to give you a sample of new and soon to be released Fiction & Non-Fiction titles that are likely to perform well at public libraries on a regional level.
