

Top Titles – November 2016

[Evidence-based Selection Planning \(ESP\)](#) is a service provided by Baker & Taylor. Using a number of data points, including circulation history and pre-publication reviews, ESP can predict how well a future title will perform in your library's collection. We have used ESP to give you a sample of Fiction and Non-Fiction titles that are likely to perform well at public libraries over the next 3 months.¹
